

# CASHLEY SAINTILUS

## FRONT-END WEB DEVELOPER

### Summary

I am a self-motivated and adaptable Web Developer, with an excellent customer service record and strong work ethic. I am proficient in HTML/CSS, JavaScript, React, Express, PostgreSQL, Node.js, Ruby and Ruby on Rails. I have acquired a great reputation for being a team player as well as a fast learner. I tend to thrive in a dynamic and creatively stimulating environment.

### Experience

#### GENERAL ASSEMBLY

**Web Development Immersive | Engineering Fellow at General Assembly**

New York, New York

Dec. 2017 to March 2018

At General Assembly, I learned Javascript, jQuery, DOM, HTML5, CSS3, Git, responsive design, and web development tools/techniques to students at General Assembly NYC campus.

#### PER SCHOLAS

**Web Developer Immersive**

At Per Scholas, I learned the fundamentals of web development through engaging projects and assignments. They learn how to use HTML and CSS to model web pages and Javascript to make their own website interactive.

Brooklyn, New York

Oct. 2017 to Dec. 2018
